Join fellow DFLers to learn about the
Reform Bill for MN - Independent Redistricting Commission

presented by
Annastacia Belladonna-Carrera
Executive Director, Common Cause Minnesota

In 2030 (a short six years from now) Minnesotans will face another reshaping of its electoral map. We want voter-focused, voter-driven redistricting reform that puts Minnesota voters first and sets clear standards to ensure fair redistricting in our state!

The last three (3) redistricting efforts--2000, 2010, and 2020--were forced into the courts to correct biases. Common Cause rated the 2020 Minnesota redistricting outcome as a C+. We need to take action while we have a favorable Legislature to make certain all citizens are fairly represented. Join us to learn how.
