Your contribution may qualify for a REFUND! The Minnesota Political Contribution Refund (PCR) is a program where any eligible MN voter may contribute up to \$75 (or \$150 per couple), once a calendar year, to a party unit, like DFL46, and have their contribution refunded by the MN Department of Revenue. Only contributions made on or after January 1, 2024, qualify for a refund under the program. Donations must be made by December 31, 2024!
